

November 2011 RCM report

I am seeking reimbursement for the room for the last cycle of \$169.16 and mileage of 266 @ .20/mile for \$53.20. Next region is this following weekend and is 103 miles away so I will be getting a room.

The map board has been started; Badgerland was 1 of 4 to have sent in a logo. Milwaukee Inner City is contacting WRSC to do workshops; they have been inactive for a while so this is important that this area is once again reaching out to region.

There is a new service pamphlet that addresses social networks, and the internet. The Eleventh Tradition speaks to online activities by members. It is up to each member to monitor their own behavior while they are online with rigor in the light of the Eleventh Tradition. I have a copy of the document on this issue.

CAR Reviews should start to be set up with the RD team. CAT reviews could also be done at the same time; they will be available in November.

Round Table discussion Unity and the Clarity of the NA message.

10 of 15 roll call

Area Reports are part of the Regional minutes. The last cycle our report as well as some other areas reports did not make it into the minutes, I re-forwarded them to the Secretary along with this cycle's BASC report.

Activity subcommittee asks that all functions and events be sent to the regional calendar to better coordinate in the interests of unity.

H& I subcommittee is still asking for communication from the area subcommittee chair.

Policy: Roberts Rules of Order vs. Consensus; Give Consent, Stand Aside, Block, how do these translate?
